

Devido a ajustes no sistema de gestão desta Operadora, foi necessário a readequação de alguns dos antigos códigos de contrato. Desta forma, nos comunicados realizados para a Agência Nacional de Saúde Suplementar (ANS) através do aplicativo RPC (Reajuste de Planos Coletivos), foi adotado o padrão de texto descrito no exemplo mais abaixo, o qual será incluído no “Texto da Justificativa Técnica do Reajuste” dos contratos com esta particularidade.

Como os contratos do *Pool de Risco* também se enquadram neste cenário, houve a necessidade de alteração da antiga listagem. Ainda assim, informamos que a alteração em relação ao material divulgado anteriormente, resume-se a incorporação da variável “Novo Contrato”, o qual elenca qual código será utilizado de agora em diante, conforme explicado.

Reforçamos que nem todos os antigos códigos tiveram a necessidade de ajuste. Assim sendo, alguns códigos de contrato estão com o “Novo Contrato” com o mesmo código anterior. Para estes casos não há particularidades ou justificativa diferenciada, tendo em vista que não houve nenhuma alteração que influencie o histórico do mesmo.

Exemplo do texto adotado: O contrato 36-6 informado anteriormente para ANS foi alterado para 16-2140 em função de ajustes do sistema da Operadora. Assim sendo, os reajustes do contrato 36-6 estarão, a partir deste comunicado, atrelados ao contrato 16-2140.
